**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Free Markets are what make America a thriving Republic. Competition is what drives innovation and gets the best products at the best prices to American citizens. It is critical that you let Sonic and any other Telco provider unfettered access to public systems and remove regulations to allow new entrants in to the market and allow them to thrive.

Thank you,
